parent

parent

```
Rectangle {
    id: teacher
    width: 80
    height: 80
    color: "gray"
    Rectangle {
        id: zhuzhu
        anchors.fill:parent
        color: "blue"
    }
}
```

```
Rectangle {
    id: teacher
    width: 80
    height: 80
    color: "gray"
    Rectangle {
        id: zhuzhu
        height: 40
        width: 40
        anchors.left:parent.left
        color: "blue"
    }
}
```

```
Rectangle {
    id: teacher
    width: 80
    height: 80
    color: "gray"
    Rectangle {
        id: zhuzhu
        height:40
        width: 40
        Anchors.bottom:parent.top
        color: "blue"
    }
}
```

用parent比用id号方便很多
